Re: Tax Rate Adoption 2020

The "Truth-In-Taxation" provisions of the Property Tax Code require small taxing units to publish "Small Taxing Unit Notice". This notice requires the date, time and place of a public hearing to consider the adoption of the tax rate, and the percentage the proposed tax rate would increase the total taxes levied in your taxing unit over last year's levy.

For tax year 2020, your NO-NEW-REVENUE tax rate is **\$0.0843** and your VOTER-APPROVAL rate is **\$0.09107**. Any rate adopted higher than the VOTER-APPROVAL rate of \$0.09107 may subject your district to a potential roll back election.

Please notify the appraisal district of your proposed 2020 tax rate, the date, time and location of your tax rate hearing. The appraisal district will publish the notice in the Hudspeth County Herald. **Pursuant to the "State Property Tax Code", failure to adopt a tax rate before September 30, 2020 will result in your tax rate being set at the tax rate of \$0.0843.**

If you have any questions, please feel free to contact me.

Sincerely,

Adolfo M. Ramirez
Chief Appraiser
