Re: 2020 Tax Rate Adoption

The "Truth-In-Taxation" provisions of the Property Tax Code requires water districts to publish "Water District Notice of Public Hearing on Tax Rate".

For tax year 2020, the highest tax rate your district can adopt without being subject to a possible tax rollback election is **\$0.4783** per one hundred dollars assessed value.

Please notify the appraisal district of your proposed tax rate for 2020, the date, time, place of your hearing, and how your board members voted on the proposed tax rate.

The appraisal district will publish the notice in the Hudspeth County Herald.

Pursuant to the "State Property Tax Code", failure to adopt a tax rate before September 30, 2020 will result in your tax rate being set at the 2020 No-New-Revenue tax rate of \$0.4783.

If you have any questions, please feel free to contact me.

Sincerely,

Adolfo M. Ramirez
Chief Appraiser
