Re: Publication “Notice of Public Meeting to
Discuss Budget and Proposed Tax Rate”

Dear Mr. Franco:

The appraisal district has calculated your school district’s NO-NEW-REVENUE tax rate at \$1.21 The maximum maintenance and operation tax rate your school can adopt without a roll back election is \$1.25 or VOTER-APPROVAL tax rate. Below is information which this office does not have but is needed to complete the **Notice of Public Meeting to Discuss Budget and Proposed Tax Rate**. *If the district decides to publish this on their own, please send us a copy of that publication for our records.* The school district’s business manager should be able to provide this information. Other information can be found in the “2020 Certified Totals” for the Fort Hancock I. S. D. mailed to you on July 22, 2020. **** The Maximum Compressed Rate (MCR), the district’s Enrichment Tax Rate (DTR) and Debt Rate have not been factored into this tax rate.****
